BENGAL

A new tale of the future DC Universe, set in a previously unexplored timeline–the Cosmic Dark Age!

Years after the Great Disaster, the Earth has started to rebuild and rejoin the universal coalition. In order to prevent a galactic war, different worlds throughout the known cosmos have created a new system of competitive combat to give each participating planet their own voice in the intergalactic struggle. Each world has one diplomatic gladiator, chosen to possess the Electric Seed and fight for their homeland as the Electric Warrior. Each fighter forsakes their personal life in the name of peace.

So what happens when Earth can't choose a single combatant and sends two instead? The bruiser War Cry represents the humans of Earth, while Deep Dweller, a shape-shifter from the Octopus Tribe, represents the animal kingdom. Can they maintain one common goal, or will they tear Earth's tenuous coexistence to shreds and destroy the rest of the universe with it? Oh, and War Cry also has a powerful relic from Earth's past. Superman's cape!

DC DESIGNER SERIES: GREEN LANTERN BY IVAN REIS STATUE

based on the artwork of
IVAN REIS
sculpted by
TONY CIPRIANO

For the latest statue of the DC Designer Series, Ivan Reis has made his own construct of the Green Lantern. Reis served as the primary artist during two of the biggest Green Lantern stories in the last decade–BLACKEST NIGHT and BRIGHTEST DAY–and this statue is a wonderful 3-D execution of his work from the page.

This statue will be a beloved addition to the shelf or tabletop of any aspiring member of the Green Lantern Corps.

DC ARTISTS ALLEY: BATMAN, ROBIN, THE PENGUIN AND CATWOMAN BY JOE LEDBETTER VINYL FIGURES

A skilled and multifaceted creator, Joe Ledbetter (a.k.a. JLed) has experience as an artist, illustrator and (perhaps most importantly for Artists Alley)...a toy designer. Born from humble origins in underground art shows and influenced by 1980s video games, animation and skateboarding, he's risen in prominence thanks to his crisp, bold lines, a vibrant palette and work that is socially conscious, reflective and human.

JLed's anthropomorphic creature work has been a hallmark of his design, and his take on DC characters is a delightful mix of literalism and playfulness.

HARLEY QUINN RED, WHITE & BLACK: HARLEY QUINN BY GUILLEM MARCH

designed by
GUILLEM MARCH
sculpted by
JONATHAN MATTHEWS

Crafted from the artwork of Guillem March, a multifaceted artist who has produced multiple covers for Harley Quinn comics, the newest entry in the HARLEY QUINN RED, WHITE & BLACK statue line brings a playful, minimalist-tone to the Maid of Mischief. Yet with the detailed design and splashes of color, this figure remains unmistakably Harley.

Outfitted in a traditional school uniform–complete with argyle socks–and equipped with her trademark oversize mallet, this carefully crafted polyresin statue is limited to 5,000 pieces.

BATMAN BLACK & WHITE: WHITE KNIGHT BATMAN BY SEAN MURPHY STATUE

designed by
SEAN MURPHY
sculpted by
JONATHAN MATTHEWS

What if the greatest villain in Gotham City was not The Joker, but Batman? That question is at the core of the epic eight-part limited series BATMAN: WHITE KNIGHT, which featured the writing and art of Sean Murphy.

This limited-run Black & White statue captures Murphy's take on an alternate-continuity Dark Knight. Cast in a descending action pose, this is a more unrefined, dangerous and imposing Batman and is a must for fans of Murphy and the Caped Crusader.

An all-star piece in its own right, it also serves as a great companion piece to the original, 1940s-era women's baseball-inspired design from Ant Lucia. This 10.5" tall, carefully crafted polyresin statue hits stores in April 2019 and is limited to just 5,000 total figures.
